Thank you so much sir Tom and Wife. I was able to share the blessings to Nanay through your Pay it Forward Program. I always saw her sweeping outside the church and selling salt. I never saw her with her family. I was so happy seeing her beautiful smile after I gave the money.

I have already received your second cash assistance from us, which we will use to help others. I used the money I received towards helping our grandfather with his nebulizer upkeep. The remainder of the funds were used to assist in the purchase of a load for my two siblings' online classes. The money I received was very helpful in providing comfort to the lives of those I helped and to see a beautiful smile on their faces. For those of us who are incapable of living, you are a drop from the heaven. I pray for your good health and may our Lord and Savior hears your prayers in life. Sir Tom, thank you very much.

" The Secret to living, is giving"

Thank you so much for the cash that I received. I was able to share this with our neighbor who is a widowed together with her son with a down syndrome. I just known her recently. Actually, I've seen her once doing the laundry of our neighbor with her son sitting beside her. I feel pity seeing them. So i decide, to find her where she live and bring these things to them. It was so fulfilling when Nanay(Mother) thanked me because she said they dont have a rice to cook. Thank you again Sir Tom, this is a big help for me and the others. And I still wanted to continue sharing what I received from you. God Bless to you, your wife and the whole team.

Thanks and best regards,

“The secret to living is giving”

Ronnie is touched by our “Pay it Forward” activity, sending his thanks to sir [Tom Painter](#) and Success and Money Foundation!!
Let’s continue to be a blessing to others!!

With strong
DETERMINATION
comes great
OPPORTUNITIES!!

He is Ronnie Lumiba, 21 y/o, student. Grew up with his Lola together with 5 siblings, parent’s were separated and lost his mom at the age of 8. At very young age he started working in every little way he could to help his family. 2 months ago he lost his job. At that time he sell some coconuts to help and support his niece for daily milk needed. He accepts construction works even for couple of days so that he could have money for their daily needs.

I’m happy to say with strong determination, kind manner and love for the family, we offered and hired him to manage our little store. 😊

To be able to help others is a blessing!

At the moment he is sick and I decided to share him the money for his medication and other needs.

He is touched by our “Pay it Forward” activity.

"The success to living is giving."

The 3rd most important in the success formula, is to 'donate to church/charity'.

"Wherefore, my beloved brethren, if ye have not charity, ye are nothing, for charity never faileth. Wherefore, cleave unto charity, which is the greatest of all, for all things must fail."

Thank you Sir [Tom Painter](#)! This is what I did with the money, I separated it into half, give it directly to church. Then I was able to bought a sweet treat to share it with my church friends.

To fully understand children living and growing up on the streets, it is vital to engage them and interact them with key institutions or individuals seeking to understand the structural causes of their situation.

This is my neighbor Joe. He is homeless and mentally incapacitated. He is alone without anyone and any relatives around to help him. When I handed the items to him, he can't believe. And even asked me many times if that was really for him and if I am sure.

Thank you so much for giving me this opportunity to be able to help others and make them feel valued. This is really beyond my heart and I will be forever grateful to you and your team for letting me experience this inevitable delight within.

Many thanks Sir [Tom Painter](#) and team!

Hi Tom,

First of all, I want to say Thank you so much for the money that you have given to us to help me and other people. The money that was been sent to us I gave it to my neighbor she is like my second mother and I'm very grateful to give her the money, she will use it to start a small business that could help her to buy medicine for her sick husband who has asthma. I and my sister decided to let her use the small spaces as her store that we have in our house. I only took a picture of her face but I personally gave the money to her. Once again Tom thank you and Godbless.

When I read this post at Franco's FB page. It hit me so hard because I can relate to it so much. I can't help but cry. I lost my two babies at 7mos pregnancy last 2015 and 2018, I was able to deliver them but they only survived for 5-7 days. I can imagine the pain felt by the parents all through out. The money sent was worth giving knowing that little angel is fighting for her life everyday.

Keep fighting little warrior!

Salute to the parents for not giving up and for the unconditional love!! ❤️

Hi Tom,

I sent my money to a cancer patient. He is 9 yrs old. He is from the province in Bohol. Travelled to Cebu just for his treatment. They are currently in Everlasting hope Foundation. They receive free shelter only. They are in need of sponsor for his chemotherapy treatment. As of now, they dont have a sponsor. They sold their animals like pigs to sustain his medication.

He is very happy tp receive this blessing. He can go to the doctor on Monday. He said thank you.

Thanks,
Mjay

Thank you so much sir Tom Painter and wife!

I used my pay it forward fund to help my senior parents. It is a big help for them to support their maintenance medication for their high blood pressure and hypertension.

They both have no source of income. I want to help them because I want to pay them back all their sacrifices for me. I was not able to support my parents because I lost my job because of the pandemic. Thank you so much sir Tom. May you continue to help and inspire those in need.
