This is my story about paying it forward.

I spent the money on groceries for our family, primarily vegetables. I will continue to assist street children, especially now that Christmas is approaching. This is the time to share the blessings we have received with those in need. In my next story, you will see a variety of children's smiles.

Thank you Tom Painter and Wife
Advance Merry Christmas to you and your family.

Good Day!

I am very grateful to have met an amazing man like you. I very like your principles that you have been sharing with us.

Thank you for giving me an amount of 1,000 pesos as part of your pay it forward initiative. I just would like to share what I did with the money.

1. I used 700 out of the 1000 to donate to the SOS Children's Foundation. I liked their advocacy of giving home and helping abandoned children. I pledged to give them 700 pesos monthly.

This is a picture of me and Rowena Sario. Rowena belongs to the Filipino indigenous people called Aeta. I saw her walking in the wet market in our town, Dinalupihan. The sticks that she is holding are what she sells for a living. I decided to give her the pay it forward money because I know that she really needs the help.

Thank you, Tom and LaDawn for giving us this opportunity to help other people's lives.

Secret to Living is Giving ~ specially 'tis Christmas Season!

Not that grand, but a simple way for pay it forward. Splits for more people to be blessed. ✨ Yesterday, I and a close friend of mine, ministered to two single moms we know from church.

This is Sis Precy, a widowed with 3 children. She's also very dear to me, She was my seminary teacher.

We heard that she's really stressed these days and has been struggling financially.

We thought of bringing her favorite egg pie for her sweet tooth that will adds a little happiness.

Her heart warmed and melted.

(Haven't had a chance to take a picture with the 1st sister we visited, her name is Sis. Claudette. We also gave her something to eat and share with her son, who's 9yrs of age.)

Hi sir Tom!

Thank you for making me an instrument in helping those who are in need.

I'm happy to be able to give this bag of rice worth 500 pesos to our neighbor who used to sell vegetables in the market. Because of the pandemic, they need to stay at home and lost their livelihood. The rice that I gave to them through the Pay It Forward Program of the Success and Money Foundation surely made a difference in their lives.

Once again, thank you for sharing your blessings.

LaDawn Saint Mercadera

Hi sir Tom!

Thank you for allowing me to participate in the Pay It Forward Activity. The money that I received was used to buy a rice worth 500 pesos which was given to a family who lost their patriarch in the home.

I know it was a great help to them. Thank you for making me an instrument in making a difference in the lives of others.

I received the pay it forward funds. There is no need to consider when and where I will spend these pay it forward funds. So I decided to share this blessing with my next-door neighbor SERENIA PARADO and her three children. The grocery that I purchased was the result of a pay it forward story. After I share this grocery with them, I feel HAPPY. A simple THANK YOU from them will have a significant impact on me.

Thankyou [Tom Painter](#) ❤️

Thanks Tom and the Admins for the fund aid for my pay it forward.

The person I chose to help has already paid it forward. He is [Jon Henry Jacinto](#). He selflessly trains young aspirants to be champion swimmers. He was not able to save for his retirement (he used to be a part of the Philippine Water Polo Team) and now has a heart condition. I gave him medicines and vitamins so he could better perform as a volunteer coach. Hope this somehow gives him more strength so he can train more dreamers. To more learnings and to more people to touch. More Power Success and Money Foundation!

I received the pay it forward funds. I gave it to my neighbor, I bought them a groceries. We all know how great it feels to receive gifts. However, the joy of getting is short-lived. Our lives are getting better if we share our blessings, and that great inner joy comes from helping others to better their lives.

I encourage you to look for opportunities where you can give and help others, The gift of joy will come to you when you give yourself to others. That's what life is all about. Let's practice and commit our lives to giving joy especially Christmas is coming.

So let's help and give to those people who are in really needs.

Thank you so much sir Tom and to your family
