Tom and wife for the

mother buy her  
medicine( and some  
canned goods). She has  
a high blood pressure  
and a heart problem.  
Thank you so much and

And i also want to  
apologize because i just

## Pay it Forward Program

March 11, 2022

Dear Sir Tom:

Attached please find pictures of my recipient of our Pay It Forward Program. This is late because I did not find her immediately, she is a senior citizen and selling leafy vegetables from her garden as her income beside receipt of social pension in the amount of 500.00 a month.

In view of this, the money which I received from Success and Money Foundation was used to buy 5 kilos rice, eggs, noodles, sardines and a little of her needs like shampoo, joy DWL, bath soap, and detergent bar.

Thank you so much Sir Tom and all the rest of the team, hope to receive more pay it forward fund. Our foundation is not only of giving financial literacy but also a humanitarian aid to all the recipient of the PIFF-Pay It Forward Fund.

Very truly yours,

LORENA N.

Hi Sir Tom!

I would just like to thank you again for giving us funds to use for paying it forward or adding to our investment account. Last week, when I received P1,200, I gave the 1,000 to my mother who needed to buy medicine for her psoriasis and liver cirrhosis. Then I added the remaining 200 to some of my personal money and deposited it to my GoTrade account. I haven't been able to put money in it in the past months and I'm grateful to you for helping me get back on track. Thank you once again for this great opportunity!

Best regards,

Dianne

-This is my 9th Pay It Forward Story-

The Pay It Forward Funds for Top Scorer, Top 4, and Top Referring Person were awarded to me. And I'm overjoyed that I'll be able to assist my father once more, who is in desperate need. I chose him to assist because he requires medical assistance. And I'd like to express my gratitude to Mr. Tom Painter's

family and the SMF team. You're all doing fantastic!!

Hi Everyone,

Just want to share with you the last money I received, I used it for my pay it forward, Make a Difference and add more money on my investment account.

For my Pay it Forward, I do feeding program for neighborhood's kiddos. I made spaghetti and I buy sandwiches and juices. As you can see in the picture, how they express their happiness and thankfulness. I also used the money to start online selling business. And for the rest money that I received from you Sir Tom Painter, I added it to my go trade account and I will add more soon if my small business will be successful.

To you Sir Tom and Wife, you're such a blessing to us for having this kind of Foundation. A Non-Profit Education Foundation. We learn a lot, and we will learn more as we continue attending your online classes. We also share to others what we learned from you, especially for the 5 steps financial freedom and for the Wealth Formula. And do encourage others to join the free registration for Success and Money Foundation .org.

I would like also to extend my appreciations to Mabuhay Deseret Foundation for supporting Sir Tom's Foundation. May God bless you always and continue serving other people who in need the most.

Thank you

## Pay It Forward

I

**er m** <ermuyco@gmail.com>

I had the opportunity to Pay Forward the money sent to me by the foundation. It happened on Feb 24, 2022.

Mary Ann is a hardworking single mother, she lost her job looks for small tasks or jobs to earn. She usually goes to our house for some work or small task she can do in order to earn some money. Since my mother is not available, who is the one who always helps Mary Ann by giving her small tasks and paying her money, I decided to do my part on the assignment given in the foundation. I remembered I had not given my "Pay It Forward Cash" yet. So I decided to give her the 500 Peso PIF money in Gcash and told her that she did not need to work today and she can have the money. I also explained to her that what I did is part of the Pay it Forward program that we are doing in the class and the class was the success and money foundation which is a non-profit organization that helps others learn more about success. She was grateful for the money from the foundation.

Hi Sir Tom & Mabuhay, as part of the rejoice of making a difference to someone else's life.

I did share the 5 steps to financial freedom to my co-ysa's / churchmates. Every feedback wasn't negative, they shared enthusiasm with the idea! I'm grateful I did. 😊

Then, for the pay it forward -- to my 3 friends that are going on their missions I ordered them proselyting bags. The Lord's work will go forth! I was able to extend the support they need thru this program.

Addition, I'm into gotrade I put some money on it again and I continue to do some research for success on investments. Plus an update, I re-activate my cebuana micro-savings account.

Thank you for the financial literacy, inspiration, and session lessons every Thursday!

You're doing great! Mabuhay!

Ps. ( Once I got the items, I'll share the pictures for posting. )

Sir:

Thank you so much Sir Tom and family for having a "Make a Difference/Pay it Forward Fund". This is a great opportunity like me to do social work, when I was little I dream to be a social worker. But its more than social work it is really amazing to be a part of the foundation with a purpose to seek for the poor and needy. Attached are images of my recipient to our pay it forward fund. She is our friend, a widow and senior citizen. She really needs help from above so the Success and Money Foundation thru Sir Tom and the team are instrument of God who helped her. God bless you more Sir Tom and the team and the SMF. She is so happy and blessed of your program. Hope that many more are to be blessed by this program!!! Thanks more!!!!

Have a great day!!!  
Thank you so very much!!!!  
Very truly yours,
